Recall-81

SUPERINTENDENT 1966—1980

In dedication to Colonel Malcolm Harris Livick, Superintendent — Emeritus of Augusta Military Academy.

Colonel Livick's guidance has inspired generations of cadets to excellence, and his leadership through the years has been paramount in the success of our school.

Finals — for some of us this will be our last assembly on the hard top. As you leave Augusta, I wish you success in your Endeavors, and hope that you will live by the ideals which we have attempted to instill.

As an Alumnus, I take pleasure in welcoming you into the ranks of the Alumni. May your memories of Augusta be as warm as are mine.

Sincerely,
Douglas A. Nemier
